Overview

Excellent opportunity to purchase a potential residential development site in the heart of this historic and sought after village with lapsed planning for the erection of two individual family homes. The site enjoys a quiet location on Chapel Lane that runs parallel to the Market Place. Folkingham is a charming and pretty village with village store, public house and church but is conveniently positioned for access to a number of surrounding towns including Grantham some 15 miles to the West where there is both A1 road and intercity rail service. It also sits on the A15 affording good access to the City Of Peterborough to the South and Lincoln to the North.

Planning Permission was previously passed by SKDC on 19th January 2022 under reference S21 / 2203 for the erection of 2 houses, double garages & associated site works. The proposed scheme shows two impressive four bedroom, three reception room detached houses with double garages.
